Christian Education  
at Lyall Memorial  
Federated Church  
begins September  
13, 2015 at 10:25  
a.m.

## **Our Mission**

We think it is most important for our children to enter their world with grace, confidence, buoyancy and hope. The world they will enter will be full of possibility and happiness, but also challenges never before faced. We endeavor through our Sunday School program to assist parents and their children to enter the world prepared not only to lead their own lives, but be leaders in their communities.

## **Our Philosophy**

We want our students to become interpreters of the stories found in the bible. We think it best that we come to “own” the stories ourselves, so we can bring our truth to real-life situations. We do not merely “pour” lessons into our children (or adults, for that matter!), but we seek the truth of the bible in our own voice. This is consistent with our desire to become an interpretive community as a church. It’s positive, enriching and nurturing.

## **Our Rhythm**

We offer Sunday School the second, third and fourth Sundays of each month. The second Sunday of each month we encounter the chosen story from the bible. The third Sunday of each month we begin the process of discerning our own understanding of the text. The fourth Sunday of each month, we will then “produce” a short film or other artistic work of that particular biblical story. This will be presented to the congregation to encourage their own “spin” on the story.

## **Sunday School begins**

On September 13, 2015 simply come to worship at 10:25 am. Your child will enjoy the first portion of the worship service, including a fun “children’s sermon”, and then shortly afterward will be excused for the Sunday School class.

## **In addition....**

We provide a caring and nurturing nursery school during our Sunday services for those parents who desire it.
